

CLAIMS: We Claim:

- 1) A curtain to prevent flying insects from entering a space comprised of screen material secured at one edge to what is hereby defined as a valance strip.
- 2) A curtain according to claim 1 wherein the said curtain is easily removable and washable.
- 3) A curtain according to claim 1 wherein the said screen is comprised of either mosquito netting or insect netting.
- 4) A curtain according to claim 1 wherein the said valance strip is comprised of any cloth material.
- 5) A curtain according to claim 1 wherein the said valance strip is attached to the screen by means of stitching or by means of an adhesive.
- 6) A curtain according to claim 1 wherein the said valance strip is comprised of Velcro.
- 7) A curtain according to claim 1 wherein the said valance strip is comprised of a Velcro-like material.
- 8) A curtain according to claim 4 wherein the said valance strip is comprised of canvas.
- 9) A curtain according to claim 4 wherein Velcro is secured to said cloth valance strip for the purpose of attachment to an outdoor structure.

- 10) A curtain according to claim 4 wherein grommets fastened to said cloth valance strip for the purpose of attachment to an outdoor structure.
- 11) A curtain according to claim 1 wherein the said space is a fixed covered outdoor structure.
- 12) A curtain according to claim 11 wherein the said fixed covered outdoor structure is a covered porch, or a gazebo, or a covered pergola, or a portico, or a garage.
- 13) A curtain according to claim 1 wherein the said screen is cut vertically from its base up to but not including the valance strip to allow for a doorway of passage.
- 14) A curtain according to claim 13 wherein the two sides of the cut screen are attached with a means to re-seal the said doorway of passage.
- 15) A curtain according to claim 14 wherein the means of re-sealing the doorway of passage uses either a zipper, Velcro, Velcro-like material, clips, hooks, or cloth ties.
- 16) A curtain according to claim 3 wherein said insect netting or said mosquito netting is any color including, but not limited to, bright white.
- 17) A curtain according to claim 3 wherein said insect netting or said mosquito netting has a design pattern.
